Compiled from information provided by instructors of LIS courses, the following list has been published for your convenience. Every effort was made to list the information in its entirety; it should be noted, however, that this list may not be complete nor definitive and may be subject to change before the start of the semester. List will be updated as new information is received.

Textbooks, etc. may be purchased from these campus facilities, unless otherwise noted. (The links are to that bookstore’s online ordering system.)
