Compiled from information provided by instructors of LIS courses, the following list has been published for your convenience. Every effort was made to list the information in its entirety; it should be noted, however, that this list may not be complete nor definitive and may be subject to change before the start of the semester. List will be revised as new information is received.

Textbooks, etc. may be purchased from these facilities, unless otherwise noted. (The URLs are for that bookstore’s online ordering system.)

**Note from UI Printing Department on finding Course Packets sold at IUB:** There is a course packet wall in the textbook section. If you do not immediately see the packet on the shelf, please look at the back of the shelf because packets are not always right on the edge of the shelves. If there are no copies left, visit the IUB textbook counter to request a copy. A new copy will be delivered the next business day (not Saturday or Sunday) in your name. You will get an email, and you can pick up your copy from the textbook counter any time after 3pm the next business day. If you have any questions, you are welcome to call the Printing Department at 333-9350.
