edTPA LESSON PLAN TEMPLATE
(replace with lesson name & number)
Write one lesson plan for each of your 3-5 lessons.

- Grade level:
- Length (minutes):

- Central focus for the learning segment (*What is the content or skill(s) that ties the lessons together?*) State what you want the students to be able to do (i.e. a skill) OR to understand (i.e. a concept).

- Standards (*State which standards THIS lesson is planned to meet.*) List the number and text of the standard(s). If only a portion of a standard is being addressed, then only list the relevant part(s).
  1. Common Core State Standards AND
  2. AASL Standards for 21st Century Learner AND/OR
  3. District curriculum standards (if available)

- Learning Objective/Learning Target associated with the content standard(s). (*What will students be able to do or know by the end of THIS lesson?)

  *Start with “Students will… “*

- Assessment: Formal or informal methods used to monitor student learning during THIS lesson. (*What changes to assessment tools or methods do you need to make for learners with special needs?)

- Instructional resources & materials (*List/attach all print and non-print materials and/or equipment you will use; provide citations for all materials you did not create.*)

  Needed by you
  Needed by students

- Instructional strategies and learning tasks (*Describe your lesson in enough detail so another person could teach it.*)

  Lesson opening: (*What is your “hook” to engage students’ attention?)
  Lesson delivery: (*How are you delivering the content?)
  Guided practice: (*Application of knowledge by students*)
  Closure: (*How will you end the lesson or transition to the next activity?)

- Differentiation: What changes to instructional materials or lesson delivery do you need to make for learners with special needs?
